

Introduction to Disaster Response Seminar

April 2 – 6, 2015 YWAM Baguio Training Center

In an effort to be hands of mercy in times of need, YWAM Philippines is hosting the *Introduction to Disaster Response Seminar*. This seminar is designed to prepare people with minimal rescue training or experience to safely lend assistance following disasters. This training is required for those who wish to become part of the YWAM Philippines' National Response Team.

The seminar will begin at 4 pm on Thursday, April 2 and conclude late on Monday, April 6. The training will begin and end at the YWAM Baguio Training Center in Baguio City.

The seminar will be physical and experiential and participants will be fully engaged in the training for the duration. That is, there are no “off” times from the beginning of the seminar until its conclusion on the final night.

A brief summary of the topics that will be introduced during the course are:

1. Rescuer safety
2. Medical first aid
3. Ropes and knots
4. Water rescue
5. Relief distribution
6. Gear and packing
7. Incident Command System
8. Critical Incident Stress Debriefings

Registration fees include:

- Course workbook
- Personal protective equipment
- Medical first aid equipment
- Accommodation fees
- Transportation fees during the course
- Course completion certificate

The PHILEO Response Team is presenting the training. Completed registration forms and questions about this training should be sent to PHILEOResponseTeam@gmail.com. Additional information about the PHILEO Response Team may be found at: <https://www.facebook.com/PHILEOResponseTeam>.

Important note

Food for the course is NOT included in the price. Participants are required to bring their own food, which they will need to be able to carry in their pack. **The only food you will be allowed to eat during the course is what you bring in your pack!**

See attached packing list for recommendation of foods and other items to bring.

Packing list for training

Items marked **required** must be brought to the training. Borrowing items from friends or family is suggested for the training so you can determine your preferences before investing in gear. If purchasing, **avoid low quality items**; the savings when you buy it will become headaches when you need it.
